

ENLITEN IT LTD PRIVACY STATEMENT

Enliten IT Ltd is committed to protecting your privacy. This privacy statement explains policies on data collection and use practices of the enliten-it.com site (the "Site"). By accessing the Site, you are consenting to the information collection and use practices described in this privacy statement.

COLLECTION OF PERSONAL INFORMATION

When requesting information, Enliten IT will only request the basic information required to properly reply to your request (i.e. name, telephone number, e-mail address and company name). We will ask for no other information.

USE OF YOUR PERSONAL INFORMATION

With your permission, Enliten IT may send you other information about Enliten IT products and services in order to provide a more effective customer service.

THIRD PARTY DISCLOSURE

The personal information Enliten IT collects may be transmitted to trusted third-party partners in order to fulfil your request. They are required to maintain the confidentiality of the information and are prohibited from using the information for any other purpose.

Enliten IT may disclose personal information, if required to do so by law or in the good faith belief that such action is necessary to:

- Comply with legal process served on Enliten IT or the Site.
- Protect and defend the rights or property of Enliten IT.
- To protect the personal safety of Enliten IT employees or sub-contractors.

SECURITY OF YOUR PERSONAL INFORMATION

Enliten IT carefully protects your data from loss, misuse, unauthorised access or disclosure, alteration or destruction. Except as explained above, your personal information is never shared outside the company without your permission. Inside the company, data is stored on password-controlled systems with limited access.

USE OF COOKIES

Enliten IT does not use cookies.

CHANGES TO THIS PRIVACY STATEMENT

Enliten IT reserves the right to modify or amend the policy at any time and for any reason. When changes occur we will revise the "last updated" date at the top of the privacy statement.
